

Hi lovely members,

As some of you may know, my brother Tony tragically died of Motor Neurone Disease in 2018. As a result, providing Motor Neurone Disease support is close to my heart. I'd therefore like to share some information regarding a Midsummer Online Auction to raise much-needed funds for research into, and care for patients with Motor Neurone Disease. With 40 fantastic Lots to choose from there's something for everyone so why not join in the fun and start bidding:

<https://uk.givergy.com/midsummerauction>

The Midsummer Auction also features a very special Prize Draw where you have the chance to **win a holiday for 6 in a Parkdean Holiday Lodge donated by Brewers**, tickets for the draw are just £10 - many thanks to my generous employers for donating this prize!

In addition, there is also an option for you to donate.

I hope you will be able to support the auction which starts today and would really appreciate it if you could share the link with as many people as possible via email, whatsapp, Facebook etc.

Best Wishes,

Pam Wicks
