

Dear Tim

As we do every year, we are writing to inform members of Brighton Festival Chorus that the new Runbysingers season of singing holidays in the UK and overseas has started booking at runbysingers.org.

Our singers are made up of individuals, couples and groups of friends from choirs all across the UK; it's a great way to meet new friends who share our passion for choral music.

Please let us know if you are not the right person to contact at Brighton Festival Chorus ; we have been arranging these events since 2003 and still every year we have singers who come up to us and say "I wish I'd known about Runbysingers before, why don't you send information to choirs"?

The answer is - "We do - but it doesn't always reach the right person, so you don't get to see it"

We have 12 events to choose from in 2022 from familiar favourites like Venice and Assisi to new destinations like Uppsala and Rome; there are also four Summer Schools in the UK

Please take a look at www.runbysingers.org and consider passing this email on to your members via the relevant Publicity Officer in the choir.

And do drop us a line if you have any questions - info@runbysingers.org ; we are all singers - hence the name

Best wishes
